

Maricopa Community Colleges

When we say the Maricopa Community Colleges are "the college of you," we don't just mean our students. Employees enjoy a generous benefits package that includes paid vacation, sick and personal leave, a full menu of insurance coverage, membership in the Arizona State Retirement System, and a holiday schedule that mirrors the Federal holiday schedule. The workplace experience also includes competitive salaries, professional development opportunities, a commitment to diversity and inclusion, and organized professional employee groups that advocate for its members. Visit our [website](#) for more information.

University of Advanced Technology (UAT)

UAT is dedicated to ensuring that all our students and alumni are prepared to work in their chosen field. If you are interested in hiring a UAT student or alumnus, or would like to learn more about UAT interns, then these pages will guide you to the correct person or department. Visit our [website](#) for more information.

The University of Arizona

Educating the future workforce and finding new ways to analyze data is the heart and soul of the MIS department's strategy, whether we're working alone or in a partnership. With over \$85 million dollars in research funding supported by a team of highly acclaimed research professors, the MIS Department ranks as one of the top five IS educators in the country.
